

For customers travelling from the north local two-way access will be put in place on a single lane between Long Lane and the entrance to Wyevale Garden Centre on Brownhill Green Road. This lane will segregate cyclists and motorists for safety. The access will be in one direction at a time, alternating directions under steward control. For customers travelling from the south it will be possible to access Wyevale Garden Centre using a detour via Coventry. Take the B4106 into Coventry and join the Coventry ring road anticlockwise. Exit onto the B4098 and continue until Long Lane to access Wyevale Garden Centre.

The cycling route past the Wyevale Garden Centre will re-open at 14:45, at which point access will resume as normal.

**Parking will be suspended on Long Lane and the B4076. Any cars left parked on the cycling route may need to be removed for safety reasons.**

*Failure to follow the directions of event staff **may** result in stewards having to close the access route due to safety concerns. We request your full cooperation for the duration of the road closure.*

- > Local access to Wyevale Garden Centre, Coventry
- > Road closed: 07:00 – 14:45
